Provider Subcontract Agreement Appendix N

Purpose: Defines requirements and expectations for the provision of subcontracted, authorized, and rendered services. Services shall be in compliance with the Provider Subcontract Agreement and the provisions of this service expectations document.

1.0	Service Definition
	<p>Inclusa follows the definitions and guidelines as defined for Supportive Home Care in the DHS Family Care contract, standard program category (SPC) 104.</p> <p>Supportive Home Care (SHC) is the provision of services to directly assist persons with daily living activities and personal needs to assure adequate functioning and safety in their home and community.</p> <p>Services include the following:</p> <ul style="list-style-type: none"> • Hands-on assistance with activities of daily living, such as dressing/undressing, bathing, feeding, managing medications and treatments that are normally self-administered; toileting; assistance with ambulation (including the use of a walker, cane, etc.); carrying out professional therapeutic treatment plans; and grooming, such as care of hair, teeth or dentures. This may also include preparation and cleaning of areas that are used during provision of personal assistance, such as the bathroom and kitchen. • Direct assistance with instrumental activities of daily living, as well as observation or cueing of the member, to ensure that the member safely and appropriately completes activities of daily living and instrumental activities of daily living. • Providing supervision necessary for member safety at home and in the community. This may include observation to assure appropriate self-administration of medications, assistance with bill paying and other aspects of money management, assistance with communication, and arrangement and use of transportation and personal assistance at a job site and in nonemployment related community activities. • Routine housekeeping and cleaning activities performed for a member, consisting of tasks that take place on a daily, weekly, or other regular basis. These tasks may include: washing dishes, doing laundry, dusting, vacuuming, cooking, shopping, and similar activities that do not involve hands-on care of the member. <p>An unrelated live-in caregiver may provide any or all of the types of supportive home care services. Services by a related live-in caregiver are subject conditions listed in section 3.5. Payment of a live-in caregiver may be reduced by the value of room and board in accordance with any applicable wage and hour laws.</p> <p>Services exclude training provided to a member intended to improve the member's ability to independently perform routine daily living tasks, which may be provided as daily living skills training.</p>
2.0	Standards of Service
2.1	Provider must follow the standards for Supportive Home Care. This Scope of Service reflects Inclusa policies and procedures.
2.2	Inclusa subcontracted providers of long-term care services are prohibited from influencing members' choice of long-term care program, provider, or Managed Care Organization (MCO) through communications that are misleading, threatening, or coercive. Inclusa and/or the Wisconsin Department of Health Services (DHS) may impose sanctions against a provider that does so.

	Per DHS, any incidents of providers influencing member choice in a Family Care program must be reported to DHS immediately.
2.3	Service must be provided in a manner which honors member's rights such as consideration for member preferences (scheduling, choice of provider, direction of work), and consideration for common courtesies such as timeliness and reliability.
2.4	It is understood that SHC workers will provide services only when the member is present in the home unless written agreement is provided by the member and confirmed by the Community Resources Coordinator (CRC) and/or Health and Wellness Coordinator (HWC) that services may be delivered without the member present.
2.5	Provider must incorporate practices that honor members' beliefs, being sensitive to cultural diversity and diverse cultural and ethical backgrounds, including supporting members with limited English proficiency or disabilities, and regardless of gender, sexual orientation, or gender identity. This includes fostering attitudes and interpersonal communication styles in staff and providers which respect members' cultural backgrounds.
3.0	Service Description
	<p>Supportive Home Care</p> <p>Hands-on assistance with activities of daily living such as dressing/undressing, bathing, feeding, toileting, assistance with ambulation (including the use of a walker, cane, etc.), care of hair and care of teeth or dentures. Can also include preparation and cleaning of areas used during personal care activities such as the bathroom and kitchen.</p> <p>Assistance with household tasks such as dust, sweep/mop floor, vacuum, wash dishes, prepare meals, rotate food in refrigerator, clean bathroom, laundry, change bed linens, remove trash, grocery shop, run errands, transport to appointments, accompany member in the community, medication reminders.</p> <p>Incidental assistance with activities of daily living while in community setting is allowed under the Supportive home care benefit.</p> <p>Medication reminders are verbal or non-verbal reminders from the worker to the member for the member to take their medications. They are solely communicative. The worker may unlock and lock a container that holds the medication in its container. The worker may need to engage in incidental handling of the medication container but does not handle or dispense any medication from the container. The member understands, handles, and administers own medication. No agency nurse is required.</p>
3.1	
	<p>SHC-Intensive Care</p> <p>Intensive Care Services are the same types of services as described above in the supportive home care description; however, the member has characteristics as follows:</p> <ol style="list-style-type: none"> 1. Significant challenging behaviors or active mental health symptoms and/or; 2. Has multiple services or significant service hours and is at risk without provider oversight and/or; 3. Member has low comprehension and inability to communicate effectively with service providers and Inclusa team, and does not have natural supports to assist with effective communication and/or; 4. Member has had two to three (2-3) failed referrals with other general SHC agencies. These agencies have exhausted all available staff and staffing patterns in an attempt to provide a successful working relationship with the member. <p>Therefore, the provider agency is expected to offer administrative oversight staff with Bachelor of Science or Bachelor of Arts (BS or BA) credentials and/or appropriate experience to effectively monitor services and communication between member, Inclusa team and service providers to bring consistency and coordination to the member's daily routine of services, which may include long-term care services as well as general health care services. Inclusa teams will only authorize hours related to the direct care worker because the professional oversight and monitoring is included in the hourly reimbursement.</p>
3.2	

3.3	Members must be given the opportunity to direct some or all of their Supportive Home Care whenever possible to the extent of their ability and desire. Inlusa teams must determine the member’s ability and/or desire to direct services by assessment and by observation and address this in the member’s plan.
3.4	<p>Prior to authorizing payment to family members, the following conditions must be met:</p> <ol style="list-style-type: none"> 1. The service is authorized by the Inlusa team; 2. The member’s preference is for the family member to provide the service; 3. The Inlusa team monitors and manages any conflict of interest situation that may occur as a result of the family member providing services; 4. The family member meets the MCO’s standards for its subcontractors or employees providing the same service; and 5. The family member will either: <ol style="list-style-type: none"> a. Provide an amount of service that exceeds normal family care giving responsibilities for a person in a similar family relationship who does not have a disability; or b. Find it necessary to forego paid employment in order to provide the service and is not receiving a pension (including Social Security retirement benefits).
4.0	Units of Service and Reimbursement Guidelines
4.1	<p>Supportive Home Care SPC (104.30) (Procedure Code S5125)</p> <p>SHC as described in Section 3.0 is billed under one (1) SPC and procedure code at the quarter hour rate as defined in Appendix A of the Provider Subcontract Agreement. Service is billed in 15-minute increments.</p>
4.2	Inlusa teams will continue to assess attendant care and companion care time needed separately. Total time assessed will be combined for SHC Authorization.
4.3	<p>Supportive Home Care – Intensive Care SPC (104.30) Procedure Code (S5125, U9)</p> <p>Service is billed with the indicated SPC and procedure code at the quarter hour rate as defined in Appendix A of the Provider Subcontract Agreement. Service is billable in 15-minute increments.</p> <p>Supportive Home Care - Intensive Care is reimbursed at a higher quarter hour direct service rate to enable provider agencies to:</p> <ol style="list-style-type: none"> 1. Successfully recruit direct care workers who have the ability and training to effectively work with members who have significant challenging behaviors or active mental health symptoms and 2. Have administrative oversight staff with BS/BA credentials and/or appropriate experience to effectively monitor services and communication between member, Inlusa team and service providers to bring consistency and coordination to the member’s daily routine of services, which may include long-term care services as well as general health care services. <p>If SHC-Intensive Care is identified as a needed service, the Inlusa team, member, and provider need to determine the following:</p> <ol style="list-style-type: none"> 1. Outcome and progress (measurable terms) 2. Member input on outcome 3. Current recommendation/changes to outcome 4. SHC agency administrative oversight and communication expectation
4.4	<p>Supportive Home Care – Mileage Reimbursement (with or for the member during service time) SPC (107.21) (Procedure Code S0215 RI U9)</p> <p>Supportive Home Care Providers will be reimbursed for mileage for supportive home care and/or intensive care services when transportation is needed with the member in the vehicle or for the member such as running an errand.</p>

	<p>Mileage reimbursement for miles incurred related to SHC tasks assigned and which are authorized starting at mile one (1) for miles per member per month.</p> <p>Service is billed with the indicated SPC and procedure code at the unit rate as defined in Appendix A of the Provider Subcontract Agreement.</p> <p>Inclusa does not reimburse separately for mileage for SHC worker to travel to/from the agency office to the location of care (member’s home), or in between visits. For more information about travel time reimbursement see section 4.5.</p> <p>Requirements for mileage authorizations per member per month are as follows:</p> <ol style="list-style-type: none"> 1. The Inclusa team will estimate appropriate mileage authorization with input from the member and SHC agency. 2. Mileage authorizations will be for a one-month period unless care manager deems it necessary to update the authorization mid-month. 3. Retroactive adjustments to mileage authorizations are not possible. Agencies, members, and the Inclusa team must plan ahead for anticipated miles related to SHC task assignment. 4. Agencies may only bill for mileage incurred up to the mileage authorization. An agency may not charge for miles that were not needed. <ol style="list-style-type: none"> a. For example, Community Resource Coordinator authorizes 60 miles per month. Caregiver only documents 40 miles per member per month. The agency may only bill for the 40 miles, not the full 60 miles as authorized. 5. Agencies must track the full miles per member per month. 6. If a caregiver drives the member’s car for transportation of the member, member may request authorization for mileage reimbursement. Mileage is not allowable for the SHC agency under these circumstances. 7. Inclusa will conduct random audits to verify documentation to support mileage reimbursement.
4.5	<p>Travel Time</p> <p>Inclusa does not routinely reimburse for travel time to and from the member.</p>
4.6	<p>Minimum Referral Units</p> <p>There is no minimum for referral units; however, providers may refuse referrals at their own discretion if they are unable to cover time frame based on current staffing pattern. Referrals must be made based on member need, and teams should not increase units to meet a provider referral base line.</p> <ul style="list-style-type: none"> • Time must be supported through assessment such as task list, median minutes, or time and task sheet
4.7	<p>The SHC Agency will Only Bill for Authorized and Performed Services</p> <p>The SHC agency will only bill Inclusa for authorized and performed services using the SPC and procedure codes designated on the referral form. SHC providers are prohibited from billing for services not authorized in the service plan.</p>
4.8	<p>Electronic Visit Verification (EVV)</p> <p>Effective November 1,2020, SHC agencies will be required to use EVV to report member visits for the designated codes. SHC agencies will have the choice of using the EVV system developed by WI Department of Health Services (DHS) or their own existing EVV system as long as it meets DHS policy and technical requirements. Data collected from the EVV system will be used to validate affected service codes against approved authorizations during the claim adjudication process.</p>
4.9	<p>Member No-Show/Unavailability for Services</p> <p>If member will be unavailable for services as scheduled, the member or Inclusa team must cancel the scheduled visit prior to the caregiver traveling to the member’s home. Agencies may bill a maximum of one (1) hour when the member or Inclusa team did not cancel the scheduled visit and the member was unavailable upon arrival for scheduled service. SHC agency must</p>

	report in writing to the Inclusa team within 24 hours when a member did not cancel a scheduled visit and was unavailable when the caregiver arrived to provide service.
4.10	<p>Activity Fees</p> <p>Activity fees for the caregiver who provides accompaniment into the community for integration, socialization, and recreation is included in the hourly reimbursement rate. It is the responsibility of the SHC agency to manage and minimize these costs through coordination with the caregiver, member, and Inclusa team.</p> <p>Any activity fees related to the member’s participation in community activities are the responsibility of the member.</p>
4.11	<p>SHC Agency Responsible for Personal Protective Equipment</p> <p>The SHC agency is responsible for providing any Personal Protective Equipment necessary for caregivers to perform their duties under OSHA guidelines. Cost of supplies such as gloves that are used by the worker for personal protection during supportive home care duties are covered within the hourly reimbursement rate.</p> <p>The agency is not responsible for providing supplies for any other caregivers in the home other than their own employees.</p>
4.12	<p>Remote Waiver Services and Interactive Telehealth</p> <p>Provider must include modifier 95 when submitting claims for services that are delivered remotely or through telehealth.</p>
